

Default Risk Premia on Sovereign Debt

An Analysis on Default Risk and Devaluation Risk
for Selected OECD Countries

DISSERTATION
der Universität St. Gallen,
Hochschule für Wirtschafts-,
Rechts- und Sozialwissenschaften (HSG)
zur Erlangung der Würde eines
Doktors der Wirtschaftswissenschaften

vorgelegt von
Matthias Vocke
aus
Deutschland

Genehmigt auf Antrag der Herren

Prof. Dr. Alfred Meier
und
Prof. Dr. Hans Schmid

Dissertation Nr. 2312

Difo-Druck OHG, Bamberg 1999
