TABLE OF CONTENTS	3
THE QUESTIONNAIRE	9
PARTICIPANTS LIST	13
Characteristics of the Sample	15
Summary of Main Findings	16
Impact of Interlibrary Loan Capabilities on Print Book Culling Strategy	16
Comfort Level with the Substitution of eBooks for Print Books	16
View of the Perpetual Access Policies of eBook Vendors	16
Quantitative Models as an Aid in Print Book Collection Strategy	17
Trends in the Absolute Holdings of Print Books	17
Mean spending on the print book collection	17
Percentage of the Academic Library Book Collection that is Culled Each Year	18
Use of Liberated Book Collection Space for Other Purposes	18
Surveying Library Patron Preferences for Print or Digital Books	18
Use of Offsite Storage Space for Books	19
Digitizing Culled Print Books	19
Data Sources Used in Making Print Book Culling Decisions	19
Giving Away Jettisoned Print Books	19
Level of Cooperation with Academic Departments in Making Print Book Culling Decisions	20
Backtracking on Print Book Culling Decisions	20
Resistance from Academic Departments to the Decline of Print	20
Organization of the Print Book Culling Effort	20
Library's Greatest Mistake in Print Book Development Policy	20
Alternatives to Print Book Purchases	22
What role has your interlibrary loan capabilities and relations with consortia and other partners played in your print materials culling practices? Does the library maintain particularly vigorous book sharing arrangements with any other institutions?	22
How comfortable would you say your library is with the substitution of eBooks for print books? When does the acquisition of an eBook title lead you to eliminate or reduce your holdings of the print version of the same title?	25
Table 1.1 In general how secure do you feel about the perpetual access policies of major eBook vendors?	28
Table 1.2 In general how secure do you feel about the perpetual access policies of major eBook vendors? Broken out by public or private status	29
Table 1.3 In general how secure do you feel about the perpetual access policies of major eBook vendors? Broken out by Annual Tuition (\$)	30

In which areas has the library been most aggressive in eliminating print titles and why in these areas?	47
What has happened to your library's print book collection over the past five years? Is it larger than it was five years ago, in what areas has it grown? If it is smaller, in what areas has it diminished?	49
In your view what will happen to your library's print book collection over the next five years? Will it become larger or smaller? If so, what areas will be most affected and why? Will spending remain the same? Increase or decrease?	52
Print Book Culling Strategy	55
Table 5.1 Approximately what percentage of your collection do you cull each year?	55
Table 5.2 Approximately what percentage of your collection do you cull each year? Broken out by public or private status	55
Table 5.3 Approximately what percentage of your collection do you cull each year? Broken out by Annual Tuition (\$)	55

Table 5.4 Approximately what percentage of your collection do you cull each year? Broken out by Enrollment	56
Table 5.5 Approximately what percentage of your collection do you cull each year? Broken out by Type or Carnegie class of college	56
If the library has changed its book acquisitions and/or book collection culling strategy over the past five years, or expects to change it soon, please describe these changes	57
Library Space Opened Up by Reductions in the Book Collection	59
Table 6.1 If the library has reduced the size of its book collection in recent years, has this led to an increase in space that the library can use for other purposes?	59
Table 6.2 If the library has reduced the size of its book collection in recent years, has this led to an increase in space that the library can use for other purposes? Broken out by public or private status	59
Table 6.3 If the library has reduced the size of its book collection in recent years, has this led to an increase in space that the library can use for other purposes? Broken out by Annual Tuition (\$)	59
Table 6.4 If the library has reduced the size of its book collection in recent years, has this led to an increase in space that the library can use for other purposes? Broken out by Enrollment..	60
Table 6.5 If the library has reduced the size of its book collection in recent years, has this led to an increase in space that the library can use for other purposes? Broken out by Type or Carnegie class of college	60
If space has been freed-up over the past five years how much space and how is this space now being deployed?	61
Opinion of Library Patrons on Print vs Digital Resources	63
Table 7.1 Has the library surveyed its patrons on their preferences for print vs. digital resources as a prelude to decision making on reducing the size of book collections?	63
Table 7.2 Has the library surveyed its patrons on their preferences for print vs. digital resources as a prelude to decision making on reducing the size of book collections? Broken out by public or private status	63
Table 7.3 Has the library surveyed its patrons on their preferences for print vs. digital resources as a prelude to decision making on reducing the size of book collections? Broken out by Annual Tuition (\$)	64
Table 7.4 Has the library surveyed its patrons on their preferences for print vs. digital resources as a prelude to decision making on reducing the size of book collections? Broken out by Enrollment	65
Table 7.5 Has the library surveyed its patrons on their preferences for print vs. digital resources as a prelude to decision making on reducing the size of book collections? Broken out by Type or Carnegie class of college	65
Impact on Use of Storage Space	66
Table 8.1 Does the library use offsite storage for books, journals and other printed materials?	66
Table 8.2 Does the library use offsite storage for books, journals and other printed materials? Broken out by public or private status	66
Table 8.3 Does the library use offsite storage for books, journals and other printed materials? Broken out by Annual Tuition (\$)	66
Table 8.4 Does the library use offsite storage for books, journals and other printed materials? Broken out by Enrollment	66

Survey of Academic Library Plans for the Print Book Collection

Table 8.5 Does the library use offsite storage for books, journals and other printed materials?	
Broken out by Type or Carnegie class of college	67
Has the amount of space used for offsite storage increased or decreased in recent years and if so by how much? Also what has been the trend in storage costs?	68
Book Culling Decision Making	69
Table 9.1 Does the library in some instances digitize culled print materials when no reasonably cost digital alternative exists and when copyright permits?	69
Table 9.2 Does the library in some instances digitize culled print materials when no reasonably cost digital alternative exists and when copyright permits? Broken out by public or private status	69
Table 9.3 Does the library in some instances digitize culled print materials when no reasonably cost digital alternative exists and when copyright permits? Broken out by Annual Tuition (\$)	69
Table 9.4 Does the library in some instances digitize culled print materials when no reasonably cost digital alternative exists and when copyright permits? Broken out by Enrollment	70
Table 9.5 Does the library in some instances digitize culled print materials when no reasonably cost digital alternative exists and when copyright permits? Broken out by Type or Carnegie class of college	70
If your library has digitized culled print materials explain your philosophy about when this should be done and how access and metadata is organized	71
What kinds of data does your library use in making print materials culling decisions and how does each data set contribute to your decision making?	72
Table 10.1 Approximately what percentage of your culled book collection is given away to schools, libraries, charitable agencies or other venues?	74
Table 10.2 Approximately what percentage of your culled book collection is given away to schools, libraries, charitable agencies or other venues? Broken out by public or private status	74
Table 10.3 Approximately what percentage of your culled book collection is given away to schools, libraries, charitable agencies or other venues? Broken out by Annual Tuition (\$)	74
Table 10.4 Approximately what percentage of your culled book collection is given away to schools, libraries, charitable agencies or other venues? Broken out by Enrollment	74
Table 10.5 Approximately what percentage of your culled book collection is given away to schools, libraries, charitable agencies or other venues? Broken out by Type or Carnegie class of college	75
Influence of Academic Departments on Book Collection Decisions	76
How closely does the library cooperate with academic departments when making print book and journal culling decisions?	76
Mention some incidents, if any, in which the library was forced to back track and restore access to print copies of materials that had been culled in printed form	78
Are particular disciplines or academic subjects in your view particularly resistant to the culling of, or reduced purchasing of print books? If so which are they?	80
In Conclusion	82
How is print collection culling at your library organized? Which librarians are involved in the decision-making? Who makes the final decisions in particular areas? Who reviews decisions? Who overturns decisions?	82
